Course Description

This course helps students acquire and practice a wide ranging and essential creative media skillset. Learners become accomplished in using Adobe Creative Cloud applications while also developing their creative ability in art and design. At the end of the year, students will produce websites, graphic images and animations. This course is largely portfolio based. Students supplement their studies with work experience in a relevant area.

Awarding Body

QQI - Creative Media Award Level 5 5M5048
