Course Description

This one-year course aims to introduce the student to the profession of fashion design and styling. Through the exploration of costume history, contemporary fashion and textile design, students will develop a strong styling ability. Modules in make-up will provide students with a firm skill base within this niche industry. Students will develop technical and professional skills as well as developing creative and design initiatives. Students will be given an opportunity to work with fashion photographers and editors and appreciate the international nature of the styling industry. Students will supplement their studies with work experience in the relevant area.
